

NovaTrend Shipping Policy

Standard shipping costs 10 dollars.

Shipping is free when the order subtotal is over 100 dollars.

Checkout collects a shipping name, phone number, address, and city.

Order status moves through PENDING, CONFIRMED, PROCESSING, SHIPPED, and DELIVERED.

A cancelled order uses the status CANCELLED.

Ask support for the status of your own order by giving the order number.

NovaTrend can only show order status for the signed-in customer.
